Minutes of NCCC membership meeting January 20, 1989

After a delicious meal of shish-kabob, potatoes, salad, and brownies prepared and served by Brook Byers and his lovely wife, Shawn, the slide show of Brook's DX-pedition to the Vatican City radio station HV3SJ and his operation of it in 1988 CQ WPX CW contest. During the presentation, Brook said that he might retitile the show "The Italian Connection" which seemed very appropriate to all of us. 30 members were present in the game room of Brook's house. Meeting was adjourned at 10pm.

Steve, WB6MZQ, announced that the new Jug editor is Alex, KI6EZ. Alex announced that a cutoff for input to the JUG is 7th of the month. A roster list is being finalized and Feb 15th is a deadline for corrections, additions and deletions.

QRM AND QRN...

As of January 31, 1988, the 17 Meter band is available to U.S. amateurs. For those who don't know, it is between 20 and 15 meters. This band is only 100 khz wide. Amateur allocations are from 18.068 Mhz to 18.168 Mhz. Why are the band edges the way they are is beyond normal human thought. This band should provide some relief for chronic ragchewers that populate the 20 meter band during a contest weekend. ARRL adopted a "standard" band plan for this new band. FSK and other digital modes can be used from 18.068 to 18.110 and SSB and SSTV from 18.110 to 18.168. There are no plans at this time to use this new band for contests or award chasing. This makes the future of this band rather bleak in light of the 220 Mhz affair.

Cutoff for the 5 Million Point Award is February 15. Unfortunately data base on 5 Million Point Award have to be reentered and there is no update this month. We should have the data base up and running before long.

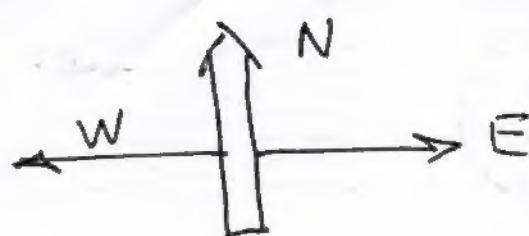

DX CONVENTION

1989 DX convention in Visalia is sponsored by NCDXC. NCCC is sponsoring a hospitality suite which was a big hit in the past years. Hotel room reservations should be made as soon as possible by calling Holiday Inn at 209 561-5000. There are several alternative Motels/Hotels available if Holiday Inn is booked. Advance registration may be made through KE6ZE (David Engle, 1063 Summerwood Ct. San Jose CA 95132). Advance registration fee is \$40 before March 20 and \$45 there after. Make checks payable to "1989 International DX Convention" and an SAE would be appreciated. Note that only advance registrants will be eligible for the Grand Prize drawing which promises to be something very nice this year.
